

May Group Art Show.

The gallery offers artists an opportunity to submit your art, on the basis of partnership, and shared responsibility.

The collective exhibition May Group Art Show 2020 be held in Barcelona from April 21 to May 23, 2020.

The red03 Art Gallery is in Barcelona, in the El Born neighborhood, in front of the Picasso Museum. El Born is a internationally recognized area, in the old city, with old and restored buildings housing art galleries, museums, small studios, theatre, along with acclaimed restaurants and bars.

The gallery has been open for 14 years, currently opening six days a week.

We promote a perspective of art, within conscious consumption. Each work has been designed and created by human beings, artists who work to add value to the world we inhabit.

We propose the possibility of showing, buying and selling art in an ethical way and consistent with our social commitment. We seek decent work conditions.

We offer pieces made in the most responsible way possible, because we work taking care of and improving our environment.

We currently offer a selection of objects from national and international artists
